

Method of Billing and Communication Consent

Method of Billing: I understand Millikin University uses electronic billing (e-bill) as its official billing method; therefore, I am responsible for viewing and paying my student account e-bill by the scheduled due date. I further understand failure to review my e-bill does not constitute a valid reason for paying my bill after the due date.

Method of Communication: I understand and agree Millikin University uses email as an official method of communication with me and that, therefore, I am responsible for reading the emails I receive from Millikin University on a timely basis.

Contact: I authorize Millikin University and its agents and contractors to contact me at my current and any future cellphone number(s), email address(es), or wireless device(s) regarding my delinquent student account(s)/loan(s), any other debt I owe to Millikin University, or to receive general information from Millikin University. I authorize Millikin University and its agents and contractors to use automated telephone dialing equipment, artificial or prerecorded voice or text messages, and personal calls and emails in their efforts to contact me. Furthermore, I understand that I may withdraw my consent to call or text my cellphone using automated telephone dialing equipment by submitting a clear revocation request to the applicable contractor or agent contacting me on behalf of Millikin University.

Updating Contact Information: I understand and agree that I am responsible for keeping Millikin University records up to date with my current mailing addresses, email addresses, and phone numbers. Upon leaving Millikin University for any reason, it is my responsibility to provide updated contact information for purposes of continued communication regarding any amounts that remain due to Millikin University.
